

JEFFREY TARABOULOS, CPA, CFF, CFE, PFS

MANAGING PARTNER, KSDT CPA

HOW CAN I HELP?

Hi, I am Jeffrey Taraboulos, and I am the Managing Partner of KSDT CPA, one of South Florida's largest and one of the country's fastest growing accounting firms. KSDT has also been recognized as a Gulf Coast Regional Leader by Accounting Today and once again recognized by Forbes as one of the 'Top Tax and Accounting Firms' for 2022.

I am proud to lead KSDT, a firm with 16 partners, 150+ staff and over 10,000 clients that provides a full range of tax, accounting, audit, and advisory services to a broad range of individuals and business clients in almost every industry.

KSDT has over 5,000 individuals at its disposal both nationwide and internationally in almost every major business center of the world through its alliance of CPA firms called Integra International.

As a licensed CPA for 20+ years, I have experience in tax, accounting, auditing, advisory services, forensic accounting, litigation support, mergers and acquisitions, due diligence, agreed upon procedures technology and software implementation, and wealth management. Like most of our partners and leadership team, I started my accounting career within a Big 4 environment in which I provided audit, forensic accounting, and other advisory services to public and private companies. During my time I was heavily engaged in mergers, acquisitions, and divestitures.

Using my knowledge and skills, I wanted to focus on the business marketplace and in 2004, teamed up with my brother and Jorge De La Torre both also with Big 4 backgrounds. Together we started De La Torre, Taraboulos & Co., focusing on our strengths of tax, accounting, auditing, and business advisory services. Looking for an opportunity to grow, since 2005 we proceeded to merge or acquire nearly 30 accounting firms to become what we are today Kabat, Schertzer, De La Torre, Taraboulos and Co. or KSDT CPA.

In addition to being a CPA, I hold the following designations: Certified Fraud Examiner (CFE), Certified in Financial Forensics (CFF), and a Personal Financial Specialist (PFS). Additionally, I also have a life, health and variable annuity limited representative license, a property and casualty license and I hold Series 6 and 66 licenses with the National Association of Securities Dealers (NASD).

On a personal note, when I am not helping businesses with their tax and accounting needs, I spend my time with my wife and three beautiful daughters going for family bike rides and attending outdoor country music concerts. Also am involved in NASCAR both as a sponsor through KSDT and crew.
